

## Hearth Products Eligible for Tax Credit Manufacturer's Certificate

The American Recovery and Reinvestment Act of 2009, provides a tax credit for products that meet the IRS guidelines of a "Qualified Energy Property". For proper execution and filing for this product, homeowners are advised to consult their tax advisor.

The following biomass burning appliances will meet or exceed the IRS guidelines, for Section 25C of the Internal Revenue Code.

Seneca – small  
Seneca – medium  
Catskill

Under penalty of perjury, I declare that I have examined this certification statement and to the best of my knowledge the facts are true, correct and complete.
